

# Art

One of the first things most of us like to do when we see a work of art is decide if we like it or not. Decide which piece of art you like best, and use this token to cast your vote.

Sometimes a work of art is judged by how much it costs. If you had to choose the piece that is worth the most money, which one would it be?

Another thing we might find interesting is the amount of time it takes to complete a work of art. Which piece do you think may have taken the longest to complete?

Not everyone likes the same things. Do you think you know which piece your parents would like if they had to choose one to hang in their homes?

If a group of art experts were going to choose the best piece and award it a prize, which one would it be?

Which piece of art do you like the *least*?
